

To Whom it may concern:

I am stictly oppossed to overturning NJ Do Not Call list. It is fabulous!! As a stay at home mom, I was being interrupted at least 5-10 times daily with annoying calls trying to sell me something. Once I signed up for the NJ Do Not Call list, the calls stopped. I do not believe it is fair to overturn this law just because telemarketers and their lobbying groups want to do so. I should have the right to privacy and silence in my own home if that is what I desire. If I wanted telemarketers to call me, I would not have put my name on the list. Thanks in advance for taking my comments into consideration when deciding whether to overturn this law. PLEASE LEAVE IT ALONE!!!!

Sincerely,

Traci Howell
